Welcome to the regular Board meeting of the Center for Academic Success Governing Board.

On March 30, 2020, Governor Doug Ducey announced that Arizona schools would be closed for the rest of the year due to COVID-19 health crisis. In Mid-March, when his stay-at-home order was issued, governmental functions – including school board governing board meetings were exempt from that order. So, while it is legal to have an in-person school governing board meeting, our district is choosing to exercise safe social distancing for our meetings by using a virtual meeting platform. The following will be the rules we are using for our meetings:

Members of the board will not be gathered in a central, physical location. However, we do have a quorum in attendance at this meeting by virtual methods.

Meeting will proceed by the means of Zoom software application which allows for staff, students, and community members / public to listen to this meeting. If you need assistance with logging on to Zoom and following the provided link, please contact Johanna Scott, Administrative Assistant at (520) 430-3541, 3 days prior to the meeting.

At this time, the board has elected to suspend call to the public. Questions or comments can be directed to the office of the Executive Director, Vada Phelps at (520) 439-3542. She will respond to all questions within 48 hours.

All other meeting procedures will be adhering to board-adopted procedures to the extent practicable.
